This transcription of an oral history by The Center for Oral History and Cultural Heritage of The University of Southern Mississippi may not be reproduced or published in any form except that quotation of short excerpts of unrestricted transcripts and the associated tape recordings is permissible providing written consent is obtained from The Center for Oral History and Cultural Heritage. When literary rights have been retained by the interviewee, written permission to use the material must be obtained from both the interviewee and The Center for Oral History and Cultural Heritage.

This oral history is a transcript of a taped conversation. The transcript was edited and punctuation added for readability and clarity. People who are interviewed may review the transcript before publication and are allowed to delete comments they made and to correct factual errors. Additions to the original text are shown in brackets []. Minor deletions are not noted. Audio and transcripts are on deposit in the McCain Library and Archives on the campus of The University of Southern Mississippi.
